FROM: ADSO

SUBJ: Per Diem - Training Staff

REF: Memorandum of 24 June 1948 to the Chief, Special Funds Division,
from the ADSO, Subject: "Special Training Expenses and
Accounting".

1. Reference memorandum prescribes certain special financial policies applicable to the Training Staff, OSO, in view of unusual operational requirements. Paragraph 3, a, (1) (a) prescribes a per diem rate of \$4.50 for subsistence expenses exclusive of hotel room expense when such rooms are used as training sites and the cost thereof is borne by the government.

2. Public Law 92, 81st Congress, increased maximum per diem rates from \$6.00 to \$9.00. Consistent with the intent and purpose of this law, it is recommended that the special per diem rate of \$4.50 referred to in paragraph 1 above be increased to \$5.00.
